But

- There were also false prophets among the people
- They will secretly introduce destructive heresies
- Many will follow their shameful ways and will bring the way of truth into disrepute

- In their greed these teachers will exploit you with stories they have made up
- God did not spare
 - angels when they sinned
 - ancient world when He brought the flood
 - cities of Sodom and Gomorrah

- Those who follow the corrupt desire of the sinful nature and despise authority
- These men blaspheme in matters they do not understand
- With eyes full of adultery, they never stop sinning

- They seduce the unstable
- They are experts in greed
- They are an accursed brood!
- They have left the straight way and wandered off

- These men are springs without water
- They mouth empty, boastful words and, by appealing to the lustful desires of sinful human nature, they entice people
- They promise freedom, while they themselves are slaves of depravity
