Taste

Touch:
to put something in contact with
something else

Hypoesthesia:
loss of the sense of touch, numbness

We become numb and we fail to feel
the touch

God is the giver of the five senses

The input into our system comes
through these five mechanisms

So I am sure that God uses all five to
give us input

Give

To put into the possession of another
for his or her use

God wants to put something in your
possession through a touch

Hypoesthesia:
loss of the sense of touch, numbness

We become numb and we fail to feel
the touch

1 Samuel 10:26

Saul also went to his home in Gibeah,
accompanied by valiant men whose
hearts God had touched.

“Whatever good there is in us, or is done by us, at any time, it must be ascribed to the grace of God. If the heart bends at any time the right way, it is because He has touched it. One touch is enough, when it is divine.”

Matthew Henry in 1706
